### PETITION FOR RULEMAKING

Highland Broadcasting Company ("Highland Broadcasting"), by counsel, hereby petitions the Federal Communications Commission for the initiation of a rulemaking proceeding to amend the FM Table of Allotments, Section 73.202 of the Commission's Rules, to assign FM Channel 295A to the community of Freeport, Illinois, as follows:

City	Present	Proposed
Freeport, Illinois	221A, 253B	221A, 253B, <b>295A</b>

1. As indicated in the attached Engineering Statement (attached hereto as Exhibit 1), Channel 295A can be assigned to Freeport in complete compliance with the Commission's distance separation requirements as contained in 47 CFR §73.207. The reference coordinates: 42-19-29 N 89-35-44 W will show the 70dbu (city grade contour) entirely encompassing the city of Freeport, Illinois. Moreover, there is a wide area available for placing an appropriate transmitter.

- 2. Freeport is a city located in Stephenson County, Illinois. According to the 1990 Census, Freeport has a population of 25,840 persons. Freeport is located on Interstate 20 in northern Illinois. At present, Freeport is served by only 2 AM and 2 FM services. Therefore, the public interest will be served by the assignment of Channel 295A to Freeport, Illinois.
- 3. If the Commission assigns Channel 295A to Freeport, Illinois, Highland Broadcasting will apply for a construction permit and will construct a new facility upon award of that permit.

WHEREFORE, in accordance with the above, Highland Broadcasting Company respectfully requests that Channel 295A be assigned to Freeport, Illinois.
